Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicants, Michael S. Dobbins and Robert E. McLay, declare that:

This supplements the previously-submitted declarations.

Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without deceptive intention on the part of the applicants.

The undersigned declare further that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true; and further that the statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code; and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
